

## Education & Outreach Intern Positions

*Available with The REEF*

**While we are not currently recruiting, please look for a notice in the Biology, Environmental Studies, or GGSE listervs at the end of each quarter if you are interested in applying.**

The Marine Science Institute (MSI) at UCSB has positions available for their very successful Oceans-to-Classrooms (O<sub>2</sub>C) program through The Research Experience & Education Facility (REEF) located at Campus Point.

*The REEF at MSI is seeking undergraduate interns who are passionate about the ocean. Education & Outreach Interns are responsible for supporting online and in-person programs, which introduce K-20 visitors and community members to Our Maritime Community and the relevant research that UCSB conducts via our touch tank aquarium.*

- **Basic requirements:**
  - **Ability to work with groups in an educational manner and setting**
  - **Passion for the ocean and caring for animals**
  - **Must be highly motivated, detail-oriented, and reliable**
  - **Highly engaging verbal communication skills**

Training will be provided. Paid positions may be available after successful completion of volunteer commitment if all qualifications are met.

**Working hours are Monday - Saturday.** You must be able to commit a minimum of four (4) hours per week. Additionally, there will be mandatory trainings and meetings throughout the quarter.

**\*\*\*\* Seniors need not apply.**

**\*\*\*\* Regular access to the internet is required for this position.**

**Address a cover letter, resume, winter class schedule, and one-minute video to: Scott E. Simon**

- The video should include:

- Your name and pronouns
- Your year in school
- Your major
- Your hometown
- A brief introduction as if you're speaking to a classroom, ie. "We will be exploring sea anemones today," including *the etymology and one fun fact* about your organism from one of the following phyla:
  - Poriferans, Cnidarians, Annelids, Arthropods, Molluscs, Echinoderms, Chordata, or a marine plant/algae
- In your video, we are looking for
  - Personality & engagement
  - Video composition
  - We are NOT looking for video editing skills, so we ask that your videos are not edited in any way, including but not limited to: cuts, graphics, or music.
  - An introduction. This is not meant to be a complete lesson, just an introduction of yourself and what you *may cover during this imaginary lesson*.
- Send documents in PDF format and video in MP4 or MOV format
- Title document names with your first initial and last name as shown in the example below:
  - S\_Simon\_coverletter.pdf, S\_Simon\_resume.pdf, S\_Simon\_schedule.pdf, S\_Simon\_video.mp4
- Send to: [outreach@msi.ucsb.edu](mailto:outreach@msi.ucsb.edu) with the subject "REEFGuide(Quarter, Year)"

***Follow all formatting instructions.***
